

# NEXYA® S2 inverter

NEXYA S2 INVERTER 18 HP

COD. OS-C/SEBDH18EI

NEXYA S2 INVERTER 24 HP

COD. OS-C/SEBDH24EI

## FEATURES

Two power models: 4.9 kW – 6.4 kW

Energy efficiency class in cooling: A++

Energy efficiency class in heating (average climate area): A

Energy efficiency class in heating (warmer climate area): A++

Refrigerant gas R410A

Display LED backlit

Multifunction remote control

Timer 24h

Warmer air climate

Average air climate

Colder air climate

## 76 FIXED SINGLE ROOM AIR CONDITIONER

### FUNCTIONS

**Fan only mode**

**Dehumidification only mode**

**Auto mode:** modulates operation in relation to the ambient temperature.

**Sleep mode:** gradually increases the temperature set and ensures reduced noise for greater wellbeing at night

**Turbo mode:** activates maximum fan speed to reach selected temperature in the shortest time.

### PURE SYSTEM 2

A multi filtering system that combines an electrostatic filter (which prevents small particles such as smoke, dust, pollen and pet hair, helping to prevent allergic reactions) with an activated carbon filter (which eliminates bad odors and inactivates any gasses harmful to health).

### WARM SYSTEM

Heat pump air conditioner.

Thanks to this feature you can replace traditional heating in intermediate seasons or support it

### INVERTER SYSTEM

Technology thanks to which compressor speed is constantly regulated in accordance with set temperature. Guarantees an energy saving of up to 30%\* compared with traditional technology.

\*Internal laboratory tests on traditional Olimpia Splendid range
